Welcome to Our Program

Vision: PGCA endeavors to empower servant-leaders who are committed disciples of Christ; highly creative, critical thinking-problem solvers willing to engage, innovate, and solve real-world problems.

Mission: To provide a solid Christian education that supports parents in developing their children academically and spiritually. To teach Kindergarten through 12th grade how to learn independently and think critically with creativity, ingenuity, and innovation.

Core values include: • Compassion • Excellence
• Integrity • Respect • Responsibility

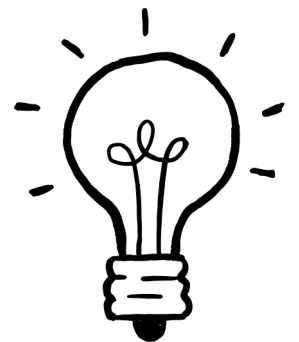

Prince George's Christian Academy Homeschool develops and manage programs to assist parents with the academic objectives of students of all learning styles. Our goal is that each student becomes a master of academic skills, a life-long learner, and an example of Godly character.

We are excited to be able to share with you various aspects of our programs and our ministry goals:

- We exist to encourage, nurture, and support families. Our academy administers oversight for students grade K-12th.
- We provide oversight of education environments, consultations, curriculum selection assistance, and record-keeping.
- We offer parent fellowships, workshops, field trips, weekly classes, activities, testing, newsletters, high school diplomas, and graduation programs.

Our foundational verse is “Train up a child in the way he should go and when he is old he will not depart from it.” Proverb 22:6. We endeavor to provide environments of love and acceptance where children are encouraged to pursue God and are taught how to care for one another. We create environments where academic excellence becomes a goal each student has an opportunity to achieve. We count it a privilege to be able to serve our families.

Oversight Overview

Our **Oversight Program** provides resources and information about how to get started, setting up a home school, lesson plans, grades, administrative oversight, instruction, accountability, and evaluation for each family's home school program. We also offer bi-weekly updates, parent meetings, field trips, school pictures, special activities, and other programs.

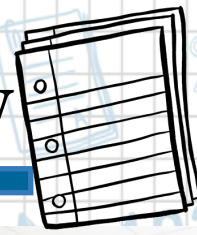

Prince George's Christian Academy Homeschool supervises individual programs of home instruction through operational guidelines, procedures, systems of accountability, and counseling adequate for program implementation and maintenance. The academy maintains the regular files and transcripts associated with normal academic procedures and acts as the official academic representative on behalf of each member's home school program. However, it is still the parents who must maintain legal and academic responsibility for the education of their children.

Oversight Includes:

- **Pre-enrollment Conference:** Offers insight and information about our program. Provides an opportunity for families to be interviewed.
- **Central Record Keeping:** Maintains office files including curriculum used, lesson plans, evaluations, standardized test scores, transcripts of grades, attendance, etc. The Academy also verifies instruction, facilitates transfer to other schools, and entrance into college.
- **Personal Consultation:** Offers recommendations for setting up a course of study based on the individual student's strengths, interests, and areas of special needs

Group Class Overview

Prince George's Christian Academy Homeschool offers **Group Classes** that are designed to support parents & guardians by providing core, Bible, and elective classes for students that will encourage character development and academic learning in a classroom setting. - No cell phones are to be used during class time. Phones should be turned in following the school entry procedures.
- Teachers, helpers, and coordinators will escort students throughout the building.
- On-site students should report directly to their classrooms each morning.
- Bathroom breaks will be allowed between classes. Excess walking throughout the building before, during, and after classes is prohibited.
- Parents are asked to provide their children with healthy bagged snacks/lunches, which include a drink. Please do not send red-colored drinks. They are difficult to clean out of the carpets.
- PGCA Homeschool is not responsible for supplies and personal belongings that are left behind at the end of the day. Sometimes things are returned to the reception area.
