

ACKNOWLEDGEMENTS

We are so grateful to the Lord for His Faithfulness. As we celebrate, it's good to be reminded that
"Because of Him We Can Count Every Blessing."

This homeschool endeavor is a true partnership between parents/guardians, students, and our program. As parents, you have added excellence, faithfulness, and joy to our program. Students of Prince George's Christian Academy Homeschool, you are awesome. Your potential is limitless.

Our one desire for you is to walk fully in who God has made you to be!

Finally, thanks and blessings to our support staff, Superintendent, Dr. Eleanor White, the PGCA Board of Directors and our dear Pastor John & First Lady Trina Jenkins.
